Objective of School Principal Nomination (SPN) under JUPAS application

The main objective of SPN is to give due recognition to applicants who have contributed to social services, or made outstanding achievements in non-academic areas such as sports, music, social services, other cultural activities, or who have demonstrated leadership abilities. It is hoped that such nominations will encourage schools to provide opportunities for applicants to participate in different areas of non-academic activities, and applicants to make good use of these opportunities. The SPN can also provide the 9 JUPAS participating-institutions, the SSSDP institutions, schools, and applicants with experience which will be useful in the possible development of a more flexible system in Hong Kong which does not over-rely on public examination results.

Nomination quota

The total number of nominations: **4** only.

Special Consideration of successful nomination

Applicants nominated under SPN will be considered by the JUPAS participating-institution(s) and / or the SSSDP institution(s) concerned for their **Band A programme choices** as at late May 2021 (exact date will be announced by JUPAS office) on an individual basis. Nevertheless, it is not necessary that the nominated applicants will be accepted by the JUPAS participating-institution(s) and / or the SSSDP institution(s).

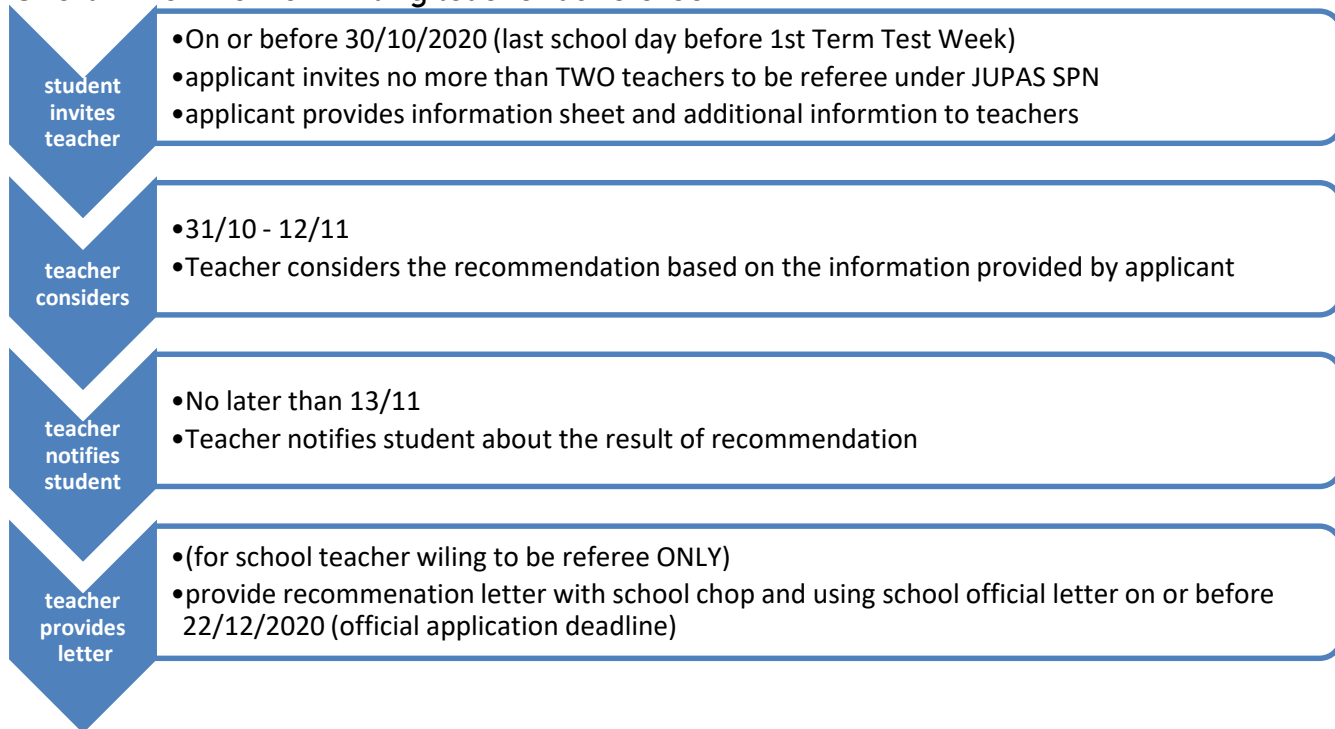

Successful nomination does NOT guarantee a place at university. Instead, the 9 JUPAS participating-institutions and / or the SSSDP institutions may at their discretion:

- i. make conditional offer(s) (in terms of achievements in HKDSE Examination results) before the release of the HKDSE Examination results; or
- ii. give bonus points to the nominated applicants when they compile the merit order lists for the iteration process to improve the applicants' chance of admission to the nominated programmes; or
- iii. give no conditional offer(s) nor bonus points to the nominated applicants.
