HKUST Business YoungStars (BYS) is a one-year program designed for highly motivated secondary 4 and 5 students/ Grade 10 and 11 (or equivalent) to explore and experience a full spectrum of business education and university life.

In addition to a series of exciting learning and networking activities starting next January, each BYS member will be paired with and mentored by current HKUST business students who will share their personal experience in going through public exams and university studies. The program can facilitate the participants in making a well-informed decision when considering business study as one of their options for further education.

Below are some program highlights:

Social Gatherings

Peer Mentoring

Business Lectures

Business Summer Camp
